Sir:

STATEMENT OF FACTS

1. As of May 22, 2003, applicants have not received an Official Action.
2. A Response To The Notice To File Missing Parts and a Petition For Extension Of Time were filed together by Certificate Of Mailing dated June 6, 2001, and a return postcard for them was received from the Patent Office date-stamped June 12, 2001. A copy of these documents, including the date-stamped return postcard, is enclosed.

3. A Status Inquiry was filed by Certificate Of Mailing dated August 23, 2002, and a return postcard for it was received from the Patent Office date-stamped August 29, 2002. A copy of the Status Inquiry, including the date-stamped return postcard, is enclosed herewith.

4. On October 16, 2002, a clerk from the U.S. Patent and Trademark Office called the below-identified signatory attorney to respond to the Status Inquiry, and the clerk told the below-identified attorney that an Action would issue in about two months (i.e., two months from October 16, 2002). No Office Action was received.

5. On May 13, 2003, the below-identified signatory attorney learned from Ms. Somchay Chinyavong, a paralegal working for the firm that employs the below-identified attorney, that she inspected the file for the above-captioned U.S. patent application Serial No. 09/775,868 and did not find in that file an Office Action, the Response To Notice To File Missing Parts, or the Status Inquiry paper. She did find a Change of Address paper that the below-identified attorney filed with a mailing date of June 19, 2002.

ACTIONS REQUESTED

1. It is requested that the U.S. Patent and Trademark Office enter into the file of the above-captioned application the enclosed copies of the following previously submitted documents:

- (a) Response To Notice To File Missing Parts,
- (b) Petition For Extension Of Time, and
- (c) Status Inquiry.

2. It is also requested, out of an abundance of caution, that the Patent Office enter a new Change of Address form which is also enclosed.

3. The Patent Office is also requested to refrain from issuing a Notice of Abandonment, or if a Notice of Abandonment has been issued, withdraw such a Notice of Abandonment.

COMPLIANCE WITH 37 C.F.R. §1.8(b)

Pursuant to 37 C.F.R. §1.8(b), applicants, by filing this Request Or Petition paper, are informing the Patent Office of the previous timely mailings of the above-identified correspondence after applicants have become aware that the Patent Office has no evidence of receipt of the previously mailed correspondence, and applicants are herewith supplying an additional copy of the previously mailed correspondence, including the Certificates of Mailing, along with a statement set forth below which attests, on a personal knowledge basis, that the previous mailings of the correspondence were timely made.

STATEMENT PURSUANT TO 37 C.F.R. §1.8(b) WHICH
ATTESTS ON A PERSONAL KNOWLEDGE
BASIS TO THE PREVIOUSLY TIMELY MAILED CORRESPONDENCE

The below-identified signatory attorney hereby states on personal knowledge that

(A) the (1) Response To Notice To File Missing Parts, and (2) Petition For Extension Of Time as shown in the enclosed document copies were timely mailed via a Certificate Of Mailing dated June 6, 2001, and that the return

Serial No. 09/775,868 - - - 4

postcard therefor was received from the Patent Office with a date stamp of June 12, 2001, and

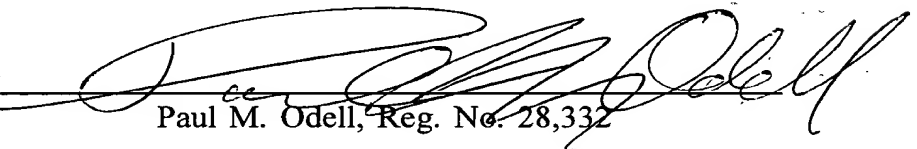

(B) the Status Inquiry paper as shown in the enclosed document copy was mailed with a Certificate Of Mailing on August 23, 2002, and that the return postcard therefor was received from the Patent Office with a date stamp of August 29, 2002.

This statement attesting to a personal knowledge basis of the previously timely mailed correspondence is supported by the enclosed copies of the correspondence which each includes the associated Certificates of Mailing and by the enclosed copies of the associated return postcards bearing the Patent Office mail room receipt date stamp.
